**TechnologyAdvice Receives Inc. Magazine's Best Workplaces 2021 Award**

Nashville, TN, [May 12, 2021] -- TechnologyAdvice, a full-service B2B media company, has been recognized amongst Inc. magazine's sixth annual list of the Best Workplaces for 2021. The Inc. Best Workplaces list is the result of a wide-ranging and comprehensive measurement of U.S. companies that have created extraordinary workplaces. Company culture, benefits packages and employee engagement, are among a few factors that are considered when selecting recipients. This year is particularly unique as the award also highlights the ways in which workplaces have adapted during, and thrived despite the massive impact of the COVID-19 pandemic.

“This award is a direct reflection of the amazing people at TA and the culture we’ve built as a team.” says CEO, Rob Bellenfant. With thousands of surveys and applications to review, Inc. recognized just 429 honorees this year.

The complete list of honorees can be viewed [here](#).
