PRESS RELEASE

For Immediate Release:

TechnologyAdvice: Nashville Business Journal 'Best in Business' Winner

Nashville, TN, [May 12, 2021] -- TechnologyAdvice, a full-service B2B media company, has been named one of the 'Best in Business' winners by the *Nashville Business Journal*. This award recognizes Nashville-based companies that excel in service, growth, innovation and strategy and set the stage for other companies to follow.

"TechnologyAdvice is the company it is today, because of our people" says CEO Rob Bellenfant. "2020 was a challenging and unprecedented year for all of us so while it's always an honor to be recognized, this year feels particularly rewarding."

The complete list of honorees can be viewed [here](#).

About TechnologyAdvice: TechnologyAdvice is a full-service B2B media company that specializes in connecting buyers and sellers of business technology.
